

Woman's Club of Ramsey Board Meeting

January 12, 2021

Anne opened the meeting at 1:04 P.M.

There was no new correspondence to share. We are still waiting for acknowledgement from the Veteran's Home for receipt of the boom boxes. Confirmation is needed for our records.

The Treasurer's report indicated an opening balance of \$3205.93. Less the cost of the boom boxes, \$1295.18, the balance as of 1/12/21 is \$1910.75.

There will be a District Council meeting, held via ZOOM, on January 18, at 10:30 A.M. The link will be forthcoming.

The Tomato Plant Sale will take place on May 15, 2021. The \$350 donation check was received from Sue.

Jan Hanson, Chairman of State Committees, has mentioned the Club Creativity Award. Our members discussed our What's What in Ramsey books and our Website as possible entries.

In an effort to keep up to date, the By-Laws Committee will reconvene to include verbiage regarding electronic meetings.

Log on to the website, NJFWC.org, e-connection, to receive e-mails from Jan Hanson regarding ongoing events.

Anne adjourned the meeting at 1:35.
