

## Who we are

On September 12, 1907, before women had the right to vote and before Ramsey was incorporated, a group of women established the Village Improvement Association to make their community a better place. That pioneering group became Woman's Club of Ramsey. You'll find more information online:

## How we work

Our projects address the concerns of the sick, the disabled and the needy, as well as matters that better the life of people in our community and the nation.

Projects are suggested by the General Federation of Women's Clubs (GFWC) and the New Jersey State Federation of Women's Clubs (NJSFWC). Using their expertise, we maintain the freedom to mold their projects to suit Ramsey's needs.

Our annual dues are \$35, payable by April 1. GFWC and the NJSFWC receive \$24 of each dues payment to further their work on national service projects.

## Make a difference

Supporting Ramsey is a time-honored tradition. Among its projects, the Woman's Club works to help:

- Ramsey Volunteer Fire Department

The Woman's Club contributes to many other projects that benefit our community and the world.

## Keep busy all year

### Enjoy monthly meetings

Our meetings feature local chefs, craft nights, and special talks on art, local history, gardening and other popular topics. There's something new to explore every month.

### Fill your social calendar

Enjoy holiday parties and summer picnics with women who share your interests. Throughout the year, we gather for lunch meetings and potluck dinners that combine friendship with working toward common goals. We celebrate our new members at a May installation dinner.

### Take pride in your achievements

An Achievement Day luncheon and contest spotlights outstanding creative work — handicrafts, baking, photography, art and computer art are all recognized. The regional Performing Arts Day gives everyone a chance to take center stage. And, at the national NJSFWC Convention, we celebrate the power of women working together to make a difference in their towns and in the world.

### Support your town

Over the years, Ramsey's Veterans Park, Library, Historical Society, Fire Department, Ambulance Corps and High School Scholarship Program have all received our assistance. We've helped make Ramsey a wonderful place to live.

## Have fun raising funds
